- 99 truck loadings/day
- 198 truck trips/day
- ***17 truck trips/hour***

# Letson Traffic

- Extract 500,000 Tonnes/year
- Operating 220 days/year
- Operating 10 hours/day
- Using tri-axel 23-Tonne Trucks
  
- 99 truck loadings/day
- 198 truck trips/day
- ***20 truck trips/hour***

# Jigg's Hollow Traffic

- Extract *150,000* Tonnes/year
- Operating 220 days/year
- Operating 12 hours/day
- Using tri-axel 23-Tonne Trucks
  
- 30 truck loadings/day
- 59 truck trips/day
- ***5 truck trips/hour***

# Potential Conestogo/Sawmill Traffic

- We could see an **ADDITIONAL 41 TRUCKS PER HOUR ON SAWMILL**, passing right in front of our School, homes and local businesses.
- If they use 15 Tonne (smaller) trucks, then the number balloons to 63 Trucks per hour!
- ***That's around 1 TRUCK PER MINUTE FOR 12 HOURS. That's unacceptable.***
